Vice President Update	Food for the UG social approved. Midterms next week. Booth at next Open Days about the Students' Union with CP. Presentation at the Offer Holder open days.			
President Update	Increase daytime events; including 12-1 during lunchtime. Poor uptake on Sounds of The Underground but better income for the Union Bar; helped ordering food later. Low society budget for the Union, societies aren't happy with their allocated amounts. Concerns regarding transparency, although arguably better this year in comparison to the 2023 Union.
